**RESOLUTION SUPPORTING POLICE BENEVOLENT ASSOCIATION OF NEW YORK STATE, INC.
(PBA OF NYS) PROPOSAL TO INCREASE DEPARTMENT OF ENVIRONMENTAL CONSERVATION FOREST
RANGER STAFFING TO A STATEWIDE TOTAL OF 175**

The following resolution was offered by [] who moved its adoption.

WHEREAS, NYS forest rangers have provided care, custody and control of the Forest Preserve and all DEC managed lands throughout the state since 1885, protecting the valuable natural resources and the people who recreate there; and

WHEREAS, forest rangers are unequalled stewards of the land who are police officers, wildland firefighters and wilderness first responders that patrol these lands year round; and

WHEREAS, the addition of over 1 million acres of DEC managed lands the last several decades without staffing increases has caused the ratio of DEC managed lands per ranger to grow from 1 ranger per 28,516 acres in 1970 to 1 ranger per 53,752 acres today; and

WHEREAS, the dramatic increase in recreational use on state lands has led to a corresponding increase in the number of search and rescue operations. In both 2015 and 2016 forest rangers participated in over 300 incidents annually. Those numbers had not been surpassed in the rangers' previous 130 years of existence; and

WHEREAS, Adirondack communities rely heavily on tourism associated with state land recreation which, gratefully, has been well-promoted by this administration; and

WHEREAS, forest rangers are essential to providing a safe and positive recreational experience for tourists utilizing state land; and

WHEREAS, the current level of forest ranger staffing, 135 statewide including supervisors, is not adequate to fulfill their unique mission given the amount of land they patrol and the number of incidents they respond to; and

WHEREAS, the proposal by the PBA of NYS to increase forest ranger staffing has wide public and bi-partisan support from local governments, business groups, environmental groups and outdoor recreation clubs for a simple reason: It protects the people from the land and the land from the people; and

WHEREAS, this proposal represents the best solution to address the increase in public lands and those utilizing it.

NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the Town of [Thurman] does hereby support the PBA of NYS proposal to increase forest ranger staffing to 175 rangers statewide, which is deemed critically important to our community, state land, the environment and the People of the State of New York; and

BE IT FURTHER RESOLVED that a certified copy of this Resolution shall be forwarded to the PBA of NYS, 11 North Pearl Street, Suite 1200 Albany NY 12207.
